CRAFTING THE FUTURE OF SURFACE DÉCOR

TWO NEW COLLECTIONS ARE ON THEIR WAY!

A new chapter of creativity begins at Meridian Collection. With the upcoming introduction of Epitome II and Bookmatch II, we are preparing to bring fresh design expressions, distinctive patterns and exciting possibilities to premium surface décor.

Two collections. Two distinctive expressions. Endless possibilities.

WHAT'S NEXT AT MERIDIAN?

Innovation has always been at the heart of Meridian Collection. Every new collection represents an opportunity to explore fresh ideas, distinctive textures and creative design possibilities. As we prepare for our upcoming launches, our focus remains on bringing thoughtful designs and refined finishes to contemporary interiors.

With Epitome II and Bookmatch II on the horizon, we look forward to introducing new expressions that inspire architects, interior designers, dealers and homeowners.

02

NEW COLLECTIONS

Epitome II and Bookmatch II are preparing to join the Meridian Collection portfolio.

At Meridian Collection, we believe surfaces should do more than simply complement interiors. They should bring personality, depth and character to every space.

Our upcoming collections continue this philosophy, introducing fresh perspectives on design and craftsmanship. Epitome II explores refined detailing and a new surface expression, while Bookmatch II expands the possibilities of creating striking feature walls through coordinated designs.

These launches represent our continuing journey of innovation and our commitment to creating distinctive surface solutions. From elegant residential interiors to contemporary commercial spaces, we aim to inspire creative applications and new design combinations.

EPITOME II THE NEXT LEVEL OF LUXURY

Created for interiors that celebrate individuality, Epitome II represents another step in Meridian Collection's journey of innovation. The upcoming collection explores a new material expression with an emphasis on elegance, creativity and craftsmanship.

A new expression of luxury is preparing to unfold.

THE NEXT CHAPTER

Created for interiors that celebrate individuality, Epitome II represents another step in Meridian Collection's journey of innovation.

From refined decorative features to sophisticated interior applications, Epitome II aims to bring a fresh design language to modern spaces.

Epitome II builds on Meridian Collection's passion for refined surface design. With new expressions, thoughtful detailing and contemporary

aesthetics, the collection is being developed to inspire fresh possibilities for interiors.

DESIGNED TO INSPIRE

Some walls deserve more than a conventional finish. They deserve a composition that brings together pattern, movement and visual harmony.

At Meridian Collection, our Bookmatch concept celebrates the beauty of coordinated surfaces that work together to create larger design statements. With Bookmatch II, we are preparing to introduce another chapter of this creative journey.

The upcoming collection will explore fresh design expressions and new possibilities for feature walls, giving architects and interior designers more inspiration for their projects.

From elegant living spaces to statement interiors, the Bookmatch concept creates opportunities to transform ordinary walls into captivating visual experiences.

Bookmatch II continues our commitment to design innovation and creative exploration. We look forward to sharing more about its designs, collection details and applications as the launch approaches.

Every extraordinary creation has a story, and every remarkable story deserves a new chapter. Following the distinctive identity and timeless appeal of Epitome, Meridian Collection is preparing to take its vision of premium surface décor even further with the much-anticipated EPITOME II.

Epitome has always represented a celebration of fine detailing, sophisticated patterns and artistic craftsmanship. Now, that journey is evolving into something even more captivating. Epitome II promises a fresh perspective on contemporary interiors, introducing new design expressions that reflect the ever-changing world of luxury and creativity.
